

In My Hour Of Darkness
Gram Parsons

F

In my hour of darkness
In my time of need

C

Oh, Lord grant me vision

Bb.....F

Oh, Lord grant me speed

Once I knew a young man
Went driving through the night
Miles and miles without a word
With just his high-beam lights

Bb.....F

Who d have ever thought they d build such

Bb.....F

a deadly Denver bend

C

To be so strong, to take so long as

Bb.....F

it would till the end

In my hour of darkness
In my time of need
Oh, Lord grant me vision
Oh, Lord grant me speed

Another young man safely strummed his
silver string guitar
And he played to people everywhere
Some say he was a star
But he was just a country boy,
his simple songs confess
And the music he had in him,
so very few possess

In my hour of darkness
In my time of need
Oh, Lord grant me vision
Oh, Lord grant me speed

Then there was an old man

Kind and wise with age
And he read me just like a book and he
never missed a page
And I loved him like my father
And I loved him like my friend
And I knew his time would shortly come
but I did not know just when

In my hour of darkness
In my time of need
Oh, Lord grant me vision
Oh, Lord grant me speed
Oh, Lord grant me vision
Oh, Lord grant me speed
