Subject: Streets of Baltimore

Streets of Baltimore  
written by Glaser/Howard  
Recorded by Gram Parsons on GP

I play this with an alternate bass strum.

**C** **F** **C**  
Well I sold the farm to take my woman where she longed to be  
**G** **F** **C**  
We left our kin and all our friends back there in Tennessee  
**C** **F** **C**  
And I bought those one way tickets she had often begged me for  
**G** **C**  
And they took us to the streets of Baltimore  
**G** **F** **C**  
Well her heart was filled with gladness when she saw those city lights  
**C** **G**  
She said the prettiest place on earth was Baltimore at night  
**C** **F** **C**  
Well a man feels proud to give his woman what she s longing for  
**G** **C**  
And I kind of like the Streets of Baltimore

(the second part follows the same chord pattern)

Then I got myself a factory job, I ran an old machine  
And I bought a little cottage in a neighborhood serene  
And every night when I d come home with every muscle sore  
She d drag me through the Streets of Baltimore  
Well I did my best to bring her back to what she used to be  
Then I soon learned she loved those bright lights more than she loved me  
Now I m-a-going back on that same train that brought me here before  
While my baby walks the streets of Baltimore  
While my baby walks the streets of Baltimore
