Song: Apathy

Artist: Grammatrain

CD: Lonely House

G5 **Em** **G5** **Em**
I guess it s up to me to look like I m the one whose fine.
G5 **Em** **G5** **Em**
You can only see the one who s not like your own kind.
G5 **Em** **G5** **Em**
I ll pretend to be ok and you that I m not here.
G5 **Em** **G5** **Em**
After I m alone allow me to release my tear.

C
I don t care
Em
I don t care
C
I don t care
Em
I don t care

The second verse is the same. So is the chorus.
If you add a 7th to the Em and a 2nd to the C it will
sound awesome. Any complaints, thanks, or death threats,
