

D|-7-----7-----5-----2-----7-----7-----5-----0-----7-----7-----5-----2-----7-----7-|  
A|-7-----5-----5-----2-----7-----5-----5-----5-----7-----5-----5-----2-----7-----5-|  
E|-5-----3-----0-----5-----3-----3-----5-----3-----0-----5-----|

Play the Intro after the chorus and at the end.

A lot of the chords are just sustained, but you can strum your own patterns.  
Just listen to the drums. They help.

That s it! Just repeat what is needed.
