The dead malls are all over town
Airports are apartments now
And amusement parks by the ocean
That s where you ll find the launchpad
And the carnies and NASA university grads
University grads
Board the jackass enterprise
Watch the road for broke down satellites
Fare thee not well mutineer

Don t come back around
Fare thee not well mutineer
Should you all crash down
Should you all crash down
The grass was always greener
The grass was always greener
