Grandaddy

chords by flammablepants@gmail.com

Timing might be a bit off... chorus is better played with barre chords. I use open chords for the verse, but that s just me.

Verse:

Em C Am
Trouble with a capital T

Em	F	C	Am
Tie him down they said,	but tired ain t	for me	

	Em	F
(let this one fly)	.	.

C **Am**
I wonder what they ll make of me

Em	F	C	Am
when I m good, and gone, in song, in God s country			

	Em	A
(let this one fly)	.	.

Chorus:

A **Dm**
Off on a merry way

G **C**
Often alotta days

A **Dm**
Lost on yer merry way

G	F
Cause unrevealed and never known	

E
and never known . . .

E F C (G) E (and so on -- timing is tricky)
(Instrumental)
End on **C**

(Verse)

(Chorus)

Bridge:

C All that I m askin **E** tonight

Is that I make it back home alive

Dm	G
No explosions no crashes no fights,	

F
I wanna get back home . . .

F **E**
Back home, back home, back home, back home tonight

E F C (G) E (and so on -- timing is tricky)
(Instrumental)
