

Why Would I Want To Die Grandaddy

Why Would I Want to Die by Grandaddy

Standard tuning
Capo on 3

You ll have to listen for the specific timing of the chords, this is only approximate.

[Intro]

D

You didnâ€™t really die

G

You only went away

C

My drummer he saw you

A

D

Buying supplies about a week ago

G

C

A couple towns away

A

South on the interstate

[Verse 1]

D

I gave him shit for not

G

Telling me sooner than he did

C

He said he thought I knew

A

D

He said everybody else has seen her too

G

I haven t been around that much

C

A

Or kept in touch with anyone or anything

[Instrumental]

D G C A

D G C A

[Verse 2]

D

You didn t really die

G

Although it seems as if you did

C

Why would you have to hide

A **D**
And who stayed on with you while you hid?

G
Through all those silent nights

C **A**
That silence sure can be real loud

A **D**
Louder than anything

[Instrumental]

D G C A

D G C A

[Verse 3]

D
You didn't really die

G
So what am I to do with

C
The memories of ours

A **D**
I chronicled and buried in the back yard

G
Dig them up today

C
Attach a note that says they're yours

A **D**
Leave them at the door of the supply store

G
And hope that when you come along

C
You bring yourself to read of them

A **D** **G C**
And wonder from precisely that there moment on...

[Outro]

C **A**
Why would I want to die?

D **G C**
Why would I want to die?

C **A**
Why would I want to die?

D **G C**
Why would I want to die?

C **A**
Why would I want to die?
