I bet them boy s all stand in line
G D A
So they can take you out and try to win you

G D A Bm
My boots and jeans don t go so well
G D A
With a white table cloth in a ritzy hotel
G D A Bm
No, I m used to much simpler things
G D A
So baby, climb on in this truck, I ll show you what I mean

(Chorus)

G D A Bm
I wanna love you on a Silverado bench seat
G D A
Fogging up the windows while we re far down by the creek
G D A Bm
No other light beside the stars and the moon
G D A
That s what you get when this country boy loves you

A girl like you is just so pretty
You ve been winding down all over this town
I wanna take you far from the city
Back on up a back road and watch the sun go down.

Repeat Chorus

Em F
And we ll see around midnight if the sky is right
G A
How the water starts dancing in the moonlight
Em F
If you want a country boy loving you
G A

And girl, I know you do

Repeat Chorus
