

The Country Boy Song
Granger Smith

C
I wake up, put a dip in, crack a cold one
C **F**
Put my boots and my overalls on
C
This is the country boy song
C
I like to gig frogs, I like to gut hogs
C **F**
Like to swim in the creek with my bird dog, uh huh
C
This is the country boy song

C
Chew it up, spit it out
C
Crack a cold one and tilt it back
C **D#** **F**
I m tired of these city boys runnin their mouths
C **D#** **F**
If their truck gets stuck, I ain t pullin them out
C **D#** **F** **G**
If you got a dip in your lip help me sing along
C
This is the country boy song

I catch bass and cats with a rod and reel
Kill bucks from atop of a windmill all day long
This is the country boy song
I fix the tree, wittle sticks
My barbwire tattoo gets me chicks, uh huh
Of course it goes all the way around

I keep a twelve guage by my water bed
Cause the next trailer over lives a meth head, uh huh
And that ain t biscuits he s cookin
Yeah, I m a redneck, I m white trash
Quarter Cherokee blood from my mom s half, uh huh
This is the country boy song

C
Gettin country drunk in the back of my truck
Bb **F**
The night is young, I m gonna get messed up
C

Gettin country drunk in the back of my truck

Bb

F

The night is young, I m gonna get messed up

C

Gettin country drunk in the back of my truck

Bb

The night is young, I m gonna get messed up

C

Gettin country drunk in the back of my truck

The night is young, I m gonna get

Put a good dip in, yee yee

Every time I dip I think about gettin a cold one

And I tell em, get those four wheelers runnin

Comin like that

Got cold ones crackin dips dipsin

Things I? do everyday, fix trees, dip, wake ups,

I ain t got no windmills in cities

How you gonna getting drinkin water in the cities

When you got, when you ain t got no windmills,

How I even drink in the cities

I m honkin up that thing in four wheel drive

Hit that thing down

Comin up on that hill

A rock just comin down, comin down

All the way down
