No tab for this one ? I don t understand why, this is a really great song :)
I play this Grant Lee Buffalo song like this... this is just what i heard...
I hope you ll like it !

For me the all song is based on only two chords, but if you listened to
some live version of the song, Grant Lee doesn t use a capo, and the chords
are different (I heard a Em and a G...)

So please, rate & comment ! ;)

Capo ; 1st fret

Am **F**
Iâ€™m in tight with a demon called deception
Am **F**
Itâ€™s alright heâ€™s a treating me quite well
Am **F**
Iâ€™m in tight with a demon called deception
Am **F**
Heâ€™s right beside me when I fail

Am **F**
To whisper words like brother nothinâ€™ here is any good
See the birds theyâ€™re a dropping like a star wormwood
And all I wanted was a little patch of green
We were peasants and the cotton was our king

And in the fields till I sing a prisonerâ€™s song
Well deception whistles right along
Right along

Charlie sang for a pocket full of pills
While deception was a clickin his high heels
Weâ€™re in tight playing seven one night stands

And deception made me as I am

As I am

As I am

As I am

As I am

Im in tight

Im in tight

Im in tight

Truth is Im in tight

I barely saw the light

Just as it clicked in

Something saved my skin

Something saved my skin
