

Stars N Stripes
Grant Lee Buffalo

Stars N Stripes

Intro: **Em D**

Em D Em D

Steel mill streets, overrun

Em D Em D

The ghosts of cars in the yard

Em D Em D Bm Am

Sunflower speaks of a one, of a one

Em D Em D

Engines purr up above

Em D Bm Am

The L train roars like a love, like a love

I can hide in you and your chestnut hair
I confide in you, whisper in your ear
When the earth is ripe, all the worms wake up
In their stars and stripes and their swastikas
There=92s a cure in sight, set your soul at ease
For the red and white and the blue disease

String us along
String us along
String us along

Bm G

Got you on the handycam, fits in my hand

Bm G Em

Got you on the handycam

Bm G

Got on the handycam, fits in my hand

Bm G Em

Sits in my hand, see my green light
I got you on the handycam, fits in my hand
Got on you the handycam
Got you on my handycam, fits in my hand
Sits in my hand, see my...
I got you on the handycam, fits in my hand
Got you on the handycam, green light
I got you on the handycam, fits in my hand
Sits in my hand, see my green light
I got you on the handycam, fits in my hand
Got you on the handycam, green light
I got on my handycam, got you on my handycam

My my

Down in my soul
Moon River flows
And flows
All my trials, all my trials
Will halt
