The Hook

Bm G D
 There s one thing I tell you friend
 Bm G D
 I don t believe in supermen
 Bm G D
 Who fly through the clouds above the rest
 Bm G D
 I don t believe in the best
 Bm G D
 And I never wanted to fight with you
 Bm G D
 That s just the last thing I wanted to do
 Bm G D
 But you re so afraid to look at love
 Bm G D
 You ve got to let it all go, this cut-above stuff

A **G**
 Cause this is the hook that drags you
D
 This is the hook in the crook of your neck
A **G**
 It s the hook that snags you
D
 This is the hook

And there s one thing I tell you friend
All of our trials are gonna come to an end
And you and I we re gonna fall
Like we never had stood on this little earth at all

Cause this is the hook that drags you
This is the hook in the crook of neck
It s the hook snags you
This is the hook in the crook of your neck
It s the hook that drags you
This is the hook
