

Fuzzy

Grant-Lee Phillips

Song on album is really in Db but for the ease of it I moved it to D.

Actually what you do is tap the D like this:

```
E--x--x--x--x-----|
B--3--3--3--3-----|
G--2--2--4--2-----|
D--0--0--0--0-----|
A--0--0--0--0-----|
E--x--x--x--0-----|
```

etc.

So the chords are D (as above) F#m (lift to E)

D-D6-D

F#m

Bring me home to this house of many days.

E D

F#m

Just lay me on the floor hard and cool as slate

We re looking for a place to stop have a bite to eat

We re hungry for a bit of faith to replace the fears

We re water like a dead bouquet does no good does it dear

Iiiiiii ve been lied too etc.
