## Fuzzy

## Grant-Lee Phillips

Song on album is really in Db but for the ease of it I moved it to D.

Actually what you do is tap the D like this:

E--x--x--x------

B--3--3--3-----

G--2--2--4--2----

D--0--0--0-----

A--0--0--0-----

E--x--x------

etc.

So the chords are D (as above) F#m (lift to E)

D-D6-D F#m

Bring me home to this house of many days.

E D F#m

Just lay me on the floor hard and cool as slate

E D F#m

You know I love it more and more, than before I ran away

E D F#m

It triggers of so many hurts hurtfull words and broken plates

Ε

IIIIIIIIII ve been lied tooooooo

F#m

I m fuzzy

Е

Still allright tooooooo

F#m

I m fuzzy

More and more the world is small enough for both of us

To meet upon the interstate waiting on a train

And just when those big arms lift up fall in love with no time to say it.

IIIIIIIIII ve been lied tooooooo

F#m

I m fuzzy

Е

Still allright tooooooo

F#m

I m fuzzy

Here we are in our cars driving down the street

We re looking for a place to stop have a bite to eat

We re hungry for a bit of faith to replace the fears

We re water like a dead buquet does no good does it dear

Iiiiii ve been lied too etc.
