Tuning: Standard

Really nice song, and pretty simple too.

G
Heavenly heavenly what other words
Am
Could I use to describe
G
The heavenly ivory touch of your hand
Am
As it covers my eyes
Am **C** **D**
Hushing me off to sleep
Am **C** **D**
Putting my mind at ease
G
Lovingly lovingly every caress
Am
That you ever gave
G
All of you knowing me like no one else
Am
At the end of the day
Am **C** **D**
Brushing my fears away
Am **C** **D**
Knowing just what to say
G
Heavenly heavenly no other love
Am
Was meant to be mine
G
Perfectly heavenly stars up above
Am
Were duly aligned
Am **C** **D**
I had to wait for you
Am **C** **D**
Now that my search is through
G

Heavenly heavenly
