

**Spring Released**  
**Grant-Lee Phillips**

Intro: **D C D C**

**D C G**  
Shangri-La out on the West side

**D C G**  
In the blinding night oh why

**D C G**  
Where they swing their arms out by the roadside

**D C G**  
Like a baby doll oh why

**D G C A**  
Damn this floor is thumpin spring released and

**D G C A**  
My little girlfriend s hanging light

**D G C A**  
I feel the blood rush pumpin haulin

**D C G**  
(Los mismos acordes del principio)

Late July fire in the dance hall  
Honey where am I stuck to the wall  
Out on the rim of space up by the bandstand  
Don t I know my place always

Damn this floor is thumpin spring released and (spring released ah)  
My little girlfriend s hanging light (she s hanging light)  
I feel the blood rush pumpin haulin (I feel the blood rush)  
My little girlfriend she s a hanging tight

(La parte instrumental es solo G)

**D C G**  
Pale eyes don t show your weakness  
On the town tonight oh why  
Pale heart don t cut your wrist up  
Cause ya can t decide oh why would ya

**D G C A**  
Damn this floor is thumpin spring released and (spring released ah)  
My little girlfriend she s hanging light (she s hanging light)  
I feel the blood rush pumpin haulin (I feel the blood rush)  
My little girlfriend she s a hanging light  
She s a hanging light
