When I think of all the worries people seem to find..  
**E** **C#m**  
and how they're in a hurry to complicate their minds..  
**E** **C#m**  
by chasing after money and dreams that can't come true.

I'm glad that we are different, we've better things to do.  
**E** **C#m**  
May others plan their future, I'm busy loving you.
