Where...ere...ere

You re lookin' good, it s hard to fight it
But no use explainin', I ve already decided
That livin' with you, it s worse than without you
I won t spend a lifetime a-worryin' about you
Oh, things got rough and you disappeared
Now I m back on my feet
But look, look who s standing there

Harpsichord solo:

Verse 3:

Oh, you were so young, and you were so wild
I knew you were nobody's innocent child
That first day I saw you, you really got to me
I thought I could change you, what good did it do me
Oh, things got rough and you wouldn't wait
Now you're tripping back
But babe, it's too late
