Well the joint was jumpin ,

A
Goinâ€™ round and round,

D
Hey! reelin and rockin ,

A
What a crazy sound,

E7
Well they never stopped rockin

A
Till the moon went down.

A
Well it sounded so sweet

A
I had to take me a chance,

D
I rose out of me seat

A
Lord, I had to dance,

E7
Started moving my feet,

A
Yesâ€™n clapping my hands.

Well they never stopped rockinâ€™,
Goinâ€™ round and round,
Hey! reelin and rockin ,
What a crazy sound,
You know, they never stopped rockin
Till the moon went down.

Well at twelve o clock,
The place was packed,
The front doors was locked
The place was packed,
When the police knocked,
Them olâ€™ doors they flew back.

Well they never stopped rockin'™,
Goin'™ round and round,
Hey! reelin and rockin ,
What a crazy sound,
You know, they never stopped rockin
Till the moon went down.
