To show how I love you, believe it or not.

I know I m no angel, my prospect s alright.

As a firm mind in sorrow, when the rivers run dry.

But I roll up my shirt sleeves and give my best shot,

To show that I love you, believe it or not.

Just to show that I love you, believe it or not.

To tell you I love you, believe it or not.

Right now while the sun shines, on the crest of a hill.

With the breeze and the fire and a red whip-or-whil,

Making music together, in a word time forgot.

Let me show how I love you, believe it or not.

Let me show how I love you, believe it or not.
