**G C**  
There are times that you can beckon  
**F C**  
There are times when you must call  
**G Am**  
You can take a lot of reckoning  
**Dm F**  
But you can t take it all  
**G C**  
There are times when I can help you out  
**F C**  
And times that you must fall  
**G Am**  
There are times when you must live in doubt  
**F G**  
And I can t help at all

**F C G C G F**  
Three blue stars / Rise on the hill  
**F C G Dm**  
Say no more, now / Just be still  
**F C G C G F**  
All these trials / Soon be past  
**F C G Dm**  
Look for something / Built to last

A wind held by the collar  
Yes, a cloud held by the breeze  
You can walk on coals of fire  
But sometimes you must freeze  
There are times when you offend me  
And I do the same to you  
If we can t or won t forget it,  
Then I guess we could be through

One blue star / Sets on the hill  
Call it back / You never will  
One more star / Sinks in the past  
**F C G Dm C Dm G**  
Show me something / Built to last.

**G**

Falls tumbling from the wall

**C**

**G**

**F**

And darkness moves on all

**F**

**C**

**G**

**Am**

Like cloudscapes in the sky

**F**

Show me something built to last

**Dm**

**F**

**Bb**

Or something built to try

Break (Instrumental on verse progression)

**Bb** back into verse.

There are times when you get hit upon

Try hard but you cannot give

Other times you'd gladly part

With what you need to live

Don't waste your breath to save your face

When you have done your best

And even more is asked of you

Fate will decide the rest.

All the stars / Are gone but one

Morning breaks / Here comes the sun

Cross the sky now / Sinking fast

Show me something / Built to last
