Here s what I ve worked out for the tab to the intro (Bobby s part):

```
+-----8p7-----10-7---7---8p7-----6p5---5--+  
+-----8-----8-----8-----8-----6-----6----+  
+----7-----7-----7-----7-----5---5-----+ repeat  
+-----+  
+-10-----10-----10-----8-----+  
+-----+
```

The p s indicate pull-offs. This is all pretty much off the top of my head, so comments, criticisms and corrections are invited.

If anyone has the tab for the jam on Europe 72, where they start out in \_China Cat\_ and end up in \_I Know You Rider\_, it would be greatly appreciated. :-)
