A G
In another time s forgotten space
A G
your eyes looked from your mother s face
A G

Wildflower seed on the sand and stone
A G
may the four winds blow you safely home

A G
Roll away ... the dew
A G
Roll away ... the dew
A G
Roll away ... the dew
A G
Roll away ... the dew

A g
ill tell you where the four winds dwell
A G
In Franklin s tower there hangs a bell
A G
It can ring, turn night to day

A G
Ring like fire when you lose your way

A G
Roll away ... the dew

A G
Roll away ... the dew

A G
Roll away ... the dew

A G
Roll away ... the dew

A G
God help the child who rings that bell

A G
It may have one good ring left, you can t tell

A G
One watch by night, one watch by day

A G
If you get confused just listen to the music play

Thats a rough draft of the solo, he does alot of bends on the 16
but i didnt catch everything so listen to the solo, but this is the area where
he plays

A G
Some come to laugh their past away

A G

Some come to make it just one more day
A G
Whichever way your pleasure tends
A G
if you plant ice you re gonna harvest wind

A G
Roll away ... the dew

A G
Roll away ... the dew

A G
Roll away ... the dew

A G
Roll away ... the dew

A G
In Franklin s Tower the four winds sleep

A G
Like four lean hounds the lighthouse keep

A G
Wildflower seed on the sand and stone

A G
may the four winds blow you home again

A G
Roll away ... the dew

A G
Roll away ... the dew

A G
Roll away ... the dew

A G
Roll away ... the dew

A G
You better roll away the dew
