

**I Will Take You Home**  
**Grateful Dead**

**B**

Little girl lost  
In a forest of dreams.  
It s a dark old wood

**F#**

And it s damp with dew.  
Hoot owl hoots  
For a moment it seems

**E**

Something big and cold

**F#**

Got a hold of you.

**G#m** **F#** **E**

Just when everything gets scary,

**F#sus4** **F#**

Daddy s come round for his darlin again.

**G#m** **F#** **E**

Hold my hand with your little fingers.

**F#sus4** **F#**

Daddy s loving arms gonna gather you in.

**B** **F#**

Ain t no way the Bogeyman can get you,

**B**

You can close your eyes, the world is gonna let you,

**E**

Your daddy s here and never will forget you,

**F#** **B**

I will take you home.

**F#** **B**

I will take you home.

**G#m** **E** **B** **G#m**

Gonna carry you back home in my arms.

**E** **B**

I will take you home.

Long is the road

We must travel on down.

Short are the legs

That will struggle behind.

I wish I knew for sure

Just where we re bound,

What we will be doin

And what we re gonna find.

Wherever we go, there will be birds to cheer you

Flowers to color in the fields around.

Wherever we go, I ll be right here near you

You can t get lost when you re always found.

Ain t no fog that s thick enough to hide you  
Your daddy s gonna be right here beside you  
If your fears should start to get inside you.  
I will take you home.  
I will take you home.  
Gonna carry you back home  
In my arms.  
I will take you home.
