Man Smart, Women Smarter -- Grateful Dead (N. Span)

Intro/Song: D -- A -- D

Let us put men and women together to see which one is smarter,
Some say men but I say no! The women got the men like a puppet show.

It ain t me, it s the people who say,
The men are leading the women astray.
But I say that the women today
Are smarter than the men in every way.

That s right, the women are smarter,
That s right, the women are smarter,
That s right, the women are smarter,
The women are smarter that s right.

Little boy sit in the corner and cry,
Big man come and ask him why.
He said I can t do what the big boys do,
The man sat down and he cried too.

It ain t me, it s the people who say,
The men are leading the women astray,
But I say that the women today
Are smarter than the men in every way.

That s right, the women are smarter,
That s right, the women are smarter,
That s right, the women are smarter,
The women are smarter, that s right.

Ever since the world began,
The women been bending the ways of men,
But listen here boys cause I got a plan,
Give it up, don t try to understand.

It ain t me, it s the people who say,

The men are leading the women astray.
But I say that the women today
Are smarter than the men in every way.

That s right, the women are smarter,
That s right, the women are smarter,
That s right, the women are smarter,
The women are smarter, that s right.
