If all you got to live for
Is what you left behind,
Get yourself a powder charge
And seal that silver mine.
Lost my boots in transit, babe,
A pile of smokin leather.

I nailed a retread to my feet
 And prayed for better weather.

They say that when your ship comes in,
 The first man takes the sails;
 The second takes the afterdeck,
 The third the planks and rails
 What s the point of callin shots;
 This cue ain t straight in line.
 Cue ball s made of styrofoam
 And no one s got the time.
