Standing On The Moon
Grateful Dead
[Intro]
GGGCDDDCGGGC
[Chorus]
             G
                             D
Standing on the moon, I got no
                                 cobweb on my shoe.
                               battle rage below.
Standing on the moon, I see the
Standing on the moon, I see a
                                shadow on the sun.
Standing on the moon, where talk is cheap and vision true.
[Chorus]
D
             G
                             C
Standing on the moon, I m
                               feeling so alone and blue. I see the
Standing on the moon, I see the soldiers come and go.
                                                      There s a
Standing on the moon, the stars go fading one by one. I
Standing on the moon, but I would rather be with you.
[Verse]
Gulf of Mexi
             co, as
                                 tiny as a
                                                tear.
metal flag be
              side me someone planted long a
                                                 go.
hear a cry of victory, a
                                nother of de
                               back porch in Ju ly,
Somewhere in San Francisco, on a
                    G
                          C
The coast of Cali fornia must be somewhere over here,
Old Glory standing stiffly Crimson white and indigo,
A scrap of age old lulla by down some forgotten street.
just looking up at heaven at this crescent in the sky,
C G C
over here.
indi
      go.
[Bridge]
                 Am
                          D
                                    Αm
                                           D
I see all of Southeast Asia, I can see El Salva dor. I hear the cries
                C
                   G/B
                          Am D
                                              Αm
of children and the other songs of war. It s like a mighty melody that
                     Am G/B C
rings down from the sky.
                                 Standing here upon the moon, I
              DG
                    C G/B]
                                Am
watch it all roll by, all roll by, all roll by,
          F F# G C
```

[Outro]

all roll by.

D G G G G Standing on the moon, with nothing left to do. A lovely view of

DGDGheaven, but I d rather be with you. A lovely view of heaven, but I dCGDCGrather be with you, be with you, be with you. I d rather be with you.
