Cities beneath the sea - Gravenhurst

by marcusN8

Verse 1:

E9/H **E9/C** **E**
I live on both sides of the mirror
E9/H **E9/C** **G**
Feel the pain that destruction brings
E9/H **E9/C** **E** **D** **C**
I want to help put everything in its place
 C **D** **E**
I want to destroy everything

Refrain:

E9/H **E9/C** **E**
There are cities underneath cities
E9/H **E9/C** **G**
Cities beneath the sea
 D **C** **D** **C**
In deserted towns and burial mounds
 C **D** **E**
There is beauty that no-one will see
 C **D** **E** **D** **C**
And the magic of stones when taken back home
 C **E**
Is left on the beach

Verse 2

E9/H **E9/C** **E**
The dead see through the eyes of the living
E9/H **E9/C** **G**
The dead know all of our names
E9/H **E9/C** **E** **D** **C**
Powerless to stop us repeating the same
 C **D** **E**
Careless mistakes that they made
