

Slow Motion Countdown  
Graveyard

Intro: **Gm Dm** 2x

**Gm**

How long, how long,

**Dm**

Lower than the sea

**Gm**

To let you go,

**Dm**

Too far to even try to reach.

**Bb** **Dm**

And don't you even try to let it go

**Bb** **Dm**

While everything around me is breaking down so slow.

**Gm** **Dm**

Where will you go when we all fade away?

**Gm** **Dm**

Where is your civil time about the sun makes to us.

**Bb** **Dm**

So when you walk outside to see the reasons for

**Bb** **Dm**

Do not forget the light that doesn't make you grow.

**Ab**

But you're staying home at just the saddest news

**Gm**

There is no side to chose.

**Ab**

And the numbers grow and push you down so low,

**Gm** **Bb** **Dm** **Cm** **Dm**

You'll never let it lose, don't ever let it loose.

**Gm** **Bb** **Cm** **Dm**

Oh, was it a low way down to leave us behind?

**Gm**

So stay where you are,

**Bb**

Come on, write them all,

**Cm**

**Dm**

But if the skies will fall I'll be asking for you

**Gm**

**Bb**

No one wants to see your cold the way the others do

**Cm**

**Dm**

If these are your prayers I won't follow you through.

**Gm** **Bb** **Cm** **Dm**

When the flame turns blue

**Gm Bb Cm Dm**  
Not even you will lead us through

(intro)

**Gm**  
That's when you will never go

**Dm**  
If you see me, I move slow

**Gm**  
My head rolls off,

**Dm**  
I spread the bands where I go.

**Bb Dm**  
You'll see the ones that lost get miles into

**Bb Dm**  
Like all your loved ones play the best part of your all.

**Ab**  
I can help you, now, when you ask me how

**Gm**  
I see the trouble in your way.

**Ab**  
If you ran out time, you just stay in line and  
**Gm Bb Dm Cm Dm**  
Don't ever let it lose, don't ever let it lose.

**Gm Bb Cm Dm**  
Oh, was it a long way down they leave us behind

**Gm Bb**  
So stay where you are, come around of them all,  
**Cm Dm**  
Now it's not too far, they've been asking for you.

**Gm Bb**  
No one wants to see your cold the way the others do

**Cm Dm**  
If these are your prayers I won't follow through.

**Gm Bb Cm Dm**  
When the flame turns blue

**Gm Bb Cm Dm**  
Not even you will lead us through.

**Gm Bb Dm Cm Dm**  
Don't let it lose, don't ever let it lose.

**Gm Bb Cm Dm**  
Oh, was it a long way down, a long way down?

**Gm Bb Cm Dm**  
Not even you will lead us through.

**Gm Bb Cm Dm**  
When the flame turns blue.

**Gm Bb Cm Dm (4x) Gm**
