F **C** **F**
I still hear the snares in the square
F **D** **C**
Colours ablaze in the evening
F **C** **D**
The air was still down the stormy hills
B **C**
It s good to be young and daring

F **C** **F**
 She was the pride of the summer that year
F **D C**
 She was my sweetheart, my lady
F **C** **D**
 We walked to Black Rock and stopped by the Loch
B **C**
 It s good to be young and daring
B **C**
 It s good to be young

F **C**
 Beat the drum, Beat the drum
D **B** **C**
 Like a heartbeat, Lonely and Strong
 x2

F **C** **F**
 Across the bay I can still hear the strains
F **D** **C**
 The two step loud and blaring
F **C** **D**
 We walked hand and hand to the beat of the band
B **C**
 It s good to be young and daring
B **C**
 It s good to be young and daring

[Chorus]
