Great Big Sea - Buying Time
(Bob Hallett, Sean McCann)

Tab By: Barry O'Brien

INTRO: [Am] [C] [F] (x2)

[Am] Stayed awake for [C]hours again last [F]night
Searching for the reason to keep up the [Am]fight
I've made [C]choices I don't re[F]gret
I've got problems I don't get

[Am] I didn't want to [C]carry the heavier [F]load
You can't always take the middle [Am]road
There comes a [C]time when you make up your [F]mind
And the point gets left behind

INTRO

CHORUS

Oh, let's wait [G]One more day for the [F]conversation
[C]One more day to [G]make it right.
Let's, get away from the [F]confrontation
[Am]One more day just [C]buying time

INTRO

[Am] For years and [C]years you can drift a[F]lone
And write another verse to an endless [Am]song
Wait one more [C]day til the time is [F]right
Hoping you both see the light
