

**Dance Dance
Great Big Sea**

G C
Friday night, seventeen
G C
Got my hands on the wheel
Am D
But my mind is on Jean
G C
Her silhouette, I can't forget
F C G
I'm gonna ask her yet

G C
My brothers truck, my Sunday slacks
G C
I've been working all week
Am D
And I've got five bucks for gas
G C
And just for luck, my grandfathers flask
F C G
It's gonna take some nerve to ask

[Chorus]

C D G
Dance, Dance with me one more time,
C
one more time
C D G
Dance, Dance with me one more time
C D
Before the band is done
G C
Before your Daddy comes
C D G
Dance, Dance with me one more time

G C
She's the apple of his eye
G C
And there's no way in hell
Am D
He'll let her out of his sight
G C
There'll be trouble, maybe a fight

F C G

If he knew what I had in mind

[Chorus]

C D G
Dance, Dance with me one more time,
C
one more time
C D G
Dance, Dance with me one more time
C D
Before the band is done
G C
Before your Daddy comes
C D G
Dance, Dance with me one more time

G C
I see it now, as plain as day
G C
A church and a chaplain
Am D
On our wedding day
G C
Dressed in white, she looks so fine
F C G
You never know, she just might
F C G
I m gonna have to ask her tonight

[Chorus]

C D G
Dance, Dance with me one more time,
C
one more time
C D G
Dance, Dance with me one more time
C D
Before the band is done
G C
Before your Daddy comes
C D G
Dance, Dance with me one more time

[Chorus]

C D G

Dance, Dance with me one more time,

C

one more time

C **D** **G**

Dance, Dance with me one more time

C **D**

Before the band is done

G **C**

Before your Daddy comes

C **D** **G**

Dance, Dance with me one more time
