

Dream To Live
Great Big Sea

G D Em C
Set off for america far across the raging sea
G D
Em C
From the frozen coves of my island home to the land of liberty
G D Em C
I had to leave my girl behind until I make my way
G D
Oh Molly dear please wait for me
Em D
I ll come back for you some day

G D Em C
We landed hard in Boston and I never seen the like
G D Em
C
A small boat boy from around the bay in this sea of shining like
G D Em
C
two days in I got a got a job Building towers of high steel
G Em C
G
I had to learn to not look down and I quickly learned to kneel

CHORUS:
G Em C
D
All I need is one good night sleep in your loving arms to mend
G Em C
D
Sleep to dream and we dream to live will I live to love you again

And so on good luck
