

Shines Right Through Me
Great Big Sea

A Bm D (2x)

A D
These days I feel a change, All the patterns rearranged

A D
Though I can't explain, I know I'm not afraid

A D
Now I realize all good things can be supplied

A
And they come from you

they come from you

A Bm D
It's all brand new, and it shines right through

Shines Right Through Me

A Bm D
I look at you, and it shines right through

Bm A
Shines Right Through Me

This feeling that I've found, like sleeping on a cloud
Smiling at the sky, Not even knowing why
Strange how things work out, I know without a doubt
That it comes from you
It comes from you

It's all brand new, and it shines right through
Shines Right Through Me
I look at you, and it shines right through
Shines Right Through Me

A Bm
Break me out of emptiness, Lead me to your light

A Bm
Anything worth having is worth some sacrifice

A Bm
Laid too long in loneliness, This world was made to change

A Bm C
Half an hour of sunshine is worth a week of rain

A Bm D (2x)

Air is flowing free, it's a little easier to breathe
This soul unbound, was lost and found
No reason left to hide, I feel a light inside and it comes from you

A Bm D (2x)

A
