I figured out the chords for one of the two guitars playing this song. I did not tabbed the picking for the first guitar yet but I`m working on it!! For the struming, the best is to listen to the album because it changes a bit between the verses and the chorus. One of the best traditionnal band I `ve ever heard!

Intro: **C Dm G C** (x2)

Dm G C F
Hearken to me both high and low
Dm G C
I`ll sing for you a song
Dm G C F
Of Knqs and Queens and rose-lipped maidens
Dm G
Courting light foot lads

Now love is grand when love is new
The heart blood it runs stong
There`s nothing a doting lad won`t do
To keep his princess warm

He`ll tease her with poems and promises
He`ll ask her out to dance
He`ll cajole and he`ll beg and he`ll always win
In bitter-sweat romance

Chorus:

C Dm G C
For time it comes and time it goes
Dm F G
It makes the strongest tree to bend
Dm G F C
Kings and Queens have no defence

C Dm G C
Time brings all things to an end

C Dm G C

But he goes out with his drinken pals
His eyes began to rove
He forgets all about the brown-eyed beauty
Who now sits home alone

There`s no more walks down lover`s lane
There`s no more wine in the sun
All that`s left is a hollow pain
Time alas you`ve won

Chorus

While the violin and flute solos, you play :

C Dm G C

C Dm G C

Dm F G

Dm G F C

C Dm G C

C Dm G C

Now all who wish for love to stay
And last your whole life through
Keep ahead of time me boys
And never be untrue

Chorus

C Dm G C

End
