Chorus:

A **E** **D**
I will never see the sun
A **E** **D**
Spadina, St.George, Bay and Yonge.
A **E** **D**
One for nothing all for one
A **E** **D**
Spadina, St.George, Bay and Yonge.

A **E** **D**
Hey you look like royalty
A **E** **D**
Were you born with muddy feet?
A **E** **D**
Horse in high tops don't get lost
A **E** **D**
Those two streets will never meet

Chorus:

A **E** **D**
So the maps says you are here
A **E** **D**
Waltzing in a garbage pile
A **E** **D**
Sweating like a weathers vein
A **E** **D**
Coughing thunder, sneezing rain

Chorus:

A **E** **D**
There s a man just up the street
A **E** **D**
Eats It s history to keep warm
A **E** **D**
Got some blankets got some bags
A **E** **D**
Screams confessions shouts in vain
