Great Lake Swimmers

Vers. 1

Gm

You see by the lines on my hands

Bb

I ve been carrying a heavy load

Cm

You follow them across my palms

F

Where they run like roads

Ref.

Gm F Bb Gm Cm F

Won t you come and read the future, turn it on

Gm F Bb Gm Cm F

Won t you tell me how I will not feel so lonely?

And read the patterns on my skin

Let the fire somehow get in

See my heart-line is intact

So this is what I lacked

Won t you come and read the future, turn it on

Won t you tell me how I will not feel so lonely?

Under the weight of this balmy night

Tell me something so divine

If there s future in these lines

Bring into the light

Won t you come and read the future, turn it on

Won t you tell me how I will not feel so lonely?
