

Still

Great Lake Swimmers

A very simple but beautiful song off of their fourth album, Lost Channels.

[Verse]

G **D** **C** **G**
I m still tuning myself to the great key, I m still, I m still
G **D** **C** **G**
I m still mining for light in the dark well, I m still, I m still
G **D** **C** **G**
I m still a frequency swaying, a leaf in the wind, I m still, I m still
G **D** **C** **G**
I m still searching for whispers in between yells, I m still, I m still

[Chorus]

C **G** **C** **G**
I m still swimming in harmony, I m still dreaming of flight
C **G** **D**
I m still lost in the waves, night after night

[Verse]

G **D** **C** **G**
I m still an arrow unshot, fixed in a bow, I m still, I m still
G **D** **C** **G**
I m still a fire unlit, ready to go, I m still, I m still

[Chorus]

C **G** **C** **G**
I m still loaded and waiting, with anticipation to fly
C **G** **D**
I m still studying the patterns in the night sky

[Verse]

G **D** **C** **G**
I m still a note that s unplayed, ink on a page, I m still, I m still
G **D** **C** **G**
I m still a cry in the night, lonesome and high, I m still, I m still

[Chorus]

C **G** **C** **G**
I m still tuned to an instrument of greater and unknown design
C **G** **D**
I m still looking for direction, some kind of sign

[Ending]

G **D** **C** **G**
I m still tuning myself to the great key, I m still, I m still
