

Your Rocky Spine
Great Lake Swimmers

[Intro]

Gm F C7 D# x2

[Verse]

Gm **F**
I was lost in the lakes
C7 **D#**
And the shape that your body makes
Gm
That your body makes,
F
That your body makes,
C7 **D#**
That your body makes.

[Interlude]

F D# F D#

[Verse]

Gm **F**
And the mountains said I could find you here
C7 **D#**
They whisper the snow and the leaves in my ear
Gm **F**
I traced my finger along your trails
C7
Your body was the map
D# **F**
I was lost in there

[Chorus]

A# **F**
Floating over your rocky spine
C7 **D#** **F**
The glaciers made you and now you re mine
A# **F**
Floating over your rocky spine
C7 **D#** **F**

The glaciers made you and now you re mine

[Interlude]

Gm F C7 D# x2

[Verse]

Gm **F**
I was moving across your frozen veneer
C7 **D#**
The sky was dark, but you were clear
Gm **F**
Could you feel my footsteps?
C7
And would you shatter, would you shatter?
D#
Would you?

[Interlude]

Gm F C7 D# x2

[Verse]

(strum once each for the first two lines, then go back to normal)

Gm **F**
Your soft fingers between my claws
C7 **D#**
Like purity against resolve
Gm **F**
I could tell then there that we were formed from the clay
C7 **D#** **F**
And came from the rocks for earth to display
A# **F**
They told me to be careful up there
C7 **D#** **F**
Where the wind blows a venomous rage through your hair
A# **F**
They told me to be careful up there
C7 **D#** **F**
Where the wind rages through your hair

[Outro]
