This is my first attempt at transcribing a song. I hope you like it.

The chord names are fucked up.

Intro:

(In the acoustic version Bixler plays the Cm as major and only strums the top four strings. You can do the same if you like.)

Cm Eb/ Bb Ab

Verse:

Cm Eb
Step on the tracks
Bb Ab
Feel you re alive
Cm Eb
It s not any worse
Bb Ab
Closer in time

Chorus: (all G s in this song are barres.)

Eb Bb
It s like a Per --- fect picture of
F/C Ab
Ordinary life
Eb Bb
You hit the bot --- tom
F/C Ab
To see if you re alive
G Ab
You ll be here some time
G Ab
Traces in your eyes

Verse (as above):

Bending backwards to look behind

Pushing forward, killing in time
You thought it would change in time
You thought it would change your mind
You thought you d be first in line
You thought it would change your life

Chorus (as above):

It s like a perfect picture of
Ordinary life
You hit the bottom
To see if you re alive
You ll be here some time
Traces in your eyes

Bridge/Refrain:

(The strumming pattern changes here so listen to the record to get it down. This can be played many ways, the acoustic version is nothing like this.)

Cm Eb Bb

Ab	Cm	Eb	Bb
You ll be better off not wasting your time			
Ab	Cm	Eb	Bb
A sentimental heart is always last in line			
Ab	G(barre)	Bb	
A sentimental heart is always last in line			

Chorus (as above):

It s like a perfect picture of
Ordinary life
You hit the bottom
To see if you re alive

	Eb	Bb
It s like a Per --- fect picture of		
F/C	Ab	
Ordinary life		
	Eb	Bb
You hit the bot --- tom		
F/C	Ab	
To see if you re alive		
F/C	Ab	
To see if you re alive		

Outro:

Cm	Eb	F/C	Ab
F/C	Ab	G	Cm
