

The Middle
Great Northern

Now, Great Northern is a little tricky to tab because a lot of the chords are actually chords, but here's my stab at it.

The untabbed parts are not guitar chords, they're synth, but here are the chords anyway:

C#m Cm F Bm

Watch out cause we're trouble shooting

On the weekend

We try to connect but don't hold your breath

Cause we can

F Am

Love you a little

F

Gets you through

Am

To the middle

It's a sound that you learn to hate

We try to get to you but don't be late

Cause we'll...

F Am

Love you a little

F

Gets you through

Am

To the middle

C F C F

C F C F E

1-2-3 is how you get to sleep

But don't forget your mother

While you count your sheep

Cause she'll

F Am

Love you a little

F

Gets you through

A

To the middle

Pick n up the pieces from the night

Into the day is how we

F **Am**

Love you a little

F

Gets you through

Am

To the middle

If the summer will be easier

To finally let me go

F **Am**

Love you a little

F

Gets you through

Am

To the middle

F **Am**

Love you a little

F

Gets you through

Am

To the middle

C F C F

C F C F E

C

F

Didn t mean to let you down

C

F

Just thought you d hang around

C

D

F Dm

But we ve been waiting for so long [x4]

Outro:

F G F Am variation (play with it a little! Most of the outro is Rachael s but mimic it with a guitat or just make it up.)
