I would enter my first tab on the net. Also if anyone knows how to play the intro to Tora Tora s Walking Shoes correctly, please tell me. Email me if any questions..thanks

(rhythm figure 1) x 4

(rhythm figure 2) X 2

Back to RF1 x 4

Then to RF2 for the verse

And it keeps going for the majority of the song. The ending on the rhythm

figure

two is different at a couple of different places but mostly it is just a tempo change. A couple time at the end of it, you dont play the open D string. Pretty simple but effective. Anyone that knows the solo should add it.
