

Carpe Diem  
Green Day

Intro:

C# F# G# C# C# G# F# C#

G# C# G# C#

Breaking in a sweat, like a bomb threat

C# G#

Here s your silhouette fading out

G# C# G# C#

Nothing left to lose, detonate the fuse

C# G#

Another break in this blow out

G# C# G# C#

Ain t it beautiful? So unusual?

C# G#

Life s a guess and it s running out

G# C# G# C#

Living a cliché, gonna seize the day

C# G#

Bottle rockets to celebrate

C# G# C# G#

C# F# G# C#

Carpe diem, a battle cry

C# G# F# C#

Are we all too young to die?

C# F# G# C#

Ask for reason and no reply

C# G# F# C#

Are we all too young to die?

F# C# F# C#

Making a living, making a killing

**F# C# G#**  
What s worth forgiving? A lie?

**G# C# G# C#**  
A blink of an eye, barely scraping by

**C# G#**  
Dominated by passer-bys

**G# C# G# C#**  
Feeling out of luck, when the traffic s stuck

**C# G#**  
And you re feeling so left behind

**G# C# G# C#**  
Getting off a binge, get a second wind

**C# G#**  
Another promise to make a change

**G# C# G# C#**  
Got a broken wing, hear the angel sing

**C# G#**  
When the single is out of range

**C# G#**  
Ain t it strange?

**C# F# G# C#**  
Carpe diem, a battle cry

**C# G# F# C#**  
Are we all too young to die?

**C# F# G# C#**  
Ask for reason and no reply
