

Christie Road
Green Day

EADGBE

Verse 1:

G

Staring out of my window

E

Watching the cars go rolling by

C

My friends are gone

G **D**

I've got nothing to do

G

So I sit here patiently

E

Watching the clock tick so slowly

C

Gotta get away

A **D**

Or my brains will explode

Chorus:

C G D

Give me something to do to kill some time

C G D

Take me to that place that I call home

C G D

Take away the strains of being lonely

C (hold) **G** (hold) **D**

Take me to the tracks at Christie Road

Verse 2:

See the hills from afar

Standing on my beat up car

The sun went down and the night fills the sky

Now I feel like me once again

As the train comes rolling in

Smoked my boredom gone

Slapped my brains up so high

Chorus

Bridge:

G G FFFF C C FFFF

G B F G B F

Mother stay out of my way of that place we go

G B F G B F

We ll always seem to find our way to Christie Road
...Repeat that once...

C F G C F G

If there s one thing that I need that makes me feel complete

C F G

So I go to Christie Road

F C

It s home...it s home

G G FFFF C C FFFF G G FFFF C C FFFF

It s home.....it s home

G G FFFF C C FFFF

it s home
