Song: Having A Blast  
Artist: Green Day  
Tabbed by: James Sanctuary

Intro: G# / F # x 4

**G# / F / F# / D#**

Taking all you down with me  
Explosives duct taped my spine  
Nothing s gonna change my mind  
I won t listen to anyone s last words  
There s nothing left for you to say  
Soon you ll be dead anyway

**C# / G# / A# / F#**

Well no one here is getting out alive  
This time I ve really lost my mind and I don t care  
So close your eyes  
And kiss yourself goodbye  
And think about the times we ve spent and what they meant

**G# / F#**

To me it s nothing  
To me it s nothing  
To me it s nothing  
To me it s nothing

**G# / F / F# / D#**

I m losing all my happiness  
The happiness you pinned on me  
But loneliness still comforts me  
My anger just dwells inside of me  
I m taking it all out on you  
And all the shit you put me through

**C# / G# / A# / F#**

Well no one here is getting out alive  
This time I ve really lost my mind and I don t care  
So close your eyes  
And kiss yourself goodbye  
And think about the times we ve spent and what they meant

**G# / F#**
