

Hold On  
Green Day

Intro 2x: G C G C G C D

As i stepped to the edge beyond the shadow of a doubt  
G C G D  
With my conscience beating  
G C G D  
Like a pulse of drum, that hammers on and on  
C D G  
Until i reach the break of day  
G C G D  
As the sun beats down on the halfway house  
G C G D  
Has my conscience beating  
G C G D  
A sound in my ear, the will to persevere  
C D G  
As i reach the break of day

Em G  
When you lost all hope and excuses  
D G  
And the cheapskates and losers  
Em G  
Nothing s left to cling onto  
C D G (Intro)  
You got to hold on...on to yourself

G C G D  
A cry of hope, a plea of peace  
G C G D  
And my conscience beating  
G C G D  
It s not that i want, but it s all that i need  
C D G  
To reach the break of day  
G C G D  
So i run to the edge beyond the shadow of a doubt  
G C G D  
With my conscience bleeding  
G C G D  
Here lies a truth, the lost treassures of my youth  
C D G  
As i hold on to the break of day
