**D D B G A X4**

**D** **B** **G** **A**  
Here they come marching down the street  
**D** **B** **G** **A**  
Like a desperation murmur of a heart beat  
**D** **B** **G**  
Coming back from the edge of town  
**G** **A** **G A**  
Underneath their feet  
**D** **B** **G** **A**  
The time has come and it going nowhere  
**D** **B** **G** **A**  
Nobody ever said that life was fair now  
**D** **B** **G**  
Go-carts and guns are treasures they will bear  
**G** **A** **G A**  
In the summer heat  
**G** **A**  
The world is spinning  
**G**  
Around and around  
**A** **D A**  
Out of control again  
**G** **A** **B** **E**  
From the 7-11 to the fear of breaking down  
**D** **G** **A**  
To send my love a letterbomb  
**D** **G** **A**  
And visit me in hell  
**G** **A** **G A**  
We re the ones going
