Loss Of Control
Green Day

Intro 2x: **C#   B   A   Ab   F#   E**

A   E
I m taking down all my enemies cause they re all so fucking useless
A   E
A bunch of shit talking drama queens and they re all filled with excuses
A   E
I wanna find me a better scene where it s not the same opinion
A   E   B C#
I d rather go to a funeral than to this high school reunion

D
April Fool, but you re falling in love
C# B   C#
But now you re sucking on a door knob that I slammed in your face
D
Life s a cruel crushing bastard crime
C# B
But you re a stupid mother fucker and you re doing your time cause

D   A G A A G A
We re all crazy, you re all crazy now
D   E
Well we re so crazy, you ve all gone insane
C#   B   A   Ab F# E
Loss of control,
C#   B   A   Ab F# E
loss of control

A   E
Hanging out all by myself, at least I make good company
A   E
Hey, isn t that a whatshisface that I see walking down the street
A   E
I m gonna hide in the shadows cause I really got nothing to say
A   E   B C#
We never had anything in common and I never liked you anyway

D
April Fool thought you re falling in love
C# B   C#
But when you re sucking on a door knob that I slammed in your face
D
Life s a cruel crushing son of a bitch
C# B
And you re a stupid mother fucker serve your shit to the pigs

```
D                                    A  G  A  A  G  A
We re all crazy, you re all crazy now
D                                         E
Well we re so crazy, you ve all gone insane
C#   B   A         Ab  F# E
Loss of control

Solo 3x: C#  B  A  Ab  F#  E

Passagem: B  C#

D
April Fool thought you re falling in love
C# B                                                    C#
But now you re sucking on a door knob that I slammed in your face
D
Life s a cruel crushing bastard crime
C# B
But you re a stupid mother fucker, serve your shit to the pigs

D                                    A  G  A  A  G  A
We re all crazy, you re all crazy now
D                                         E
Well we re so crazy, you ve all gone insane
C#   B   A        Ab   F#  E
Loss of control,
C#   B   A        Ab   F#  E
Loss of control

( C#   B  A )
```
