Minnesota Girl Green Day

Minnesota Girl (Lazy Days) By Billie Joe Armstrong (of Green Day)

Tabbed By: Back2Bassics (back2bassics@hotmail.com

This song is pretty easy, it s 3 basic chords. You just have to get the strumming

pattern down. I think what he does is he plays the chord soft twice and then hits

it hard on the third beat.

Anyway, here s the song. It s available for download at greendayauthority.com. If you don t already have it I suggest you get it, it s a beautiful song.

Chords

G D Α e----2---3---0--B----3---2--G----2---D----0---2--A------E-----

If you play the G this way you can leave your ring finger anchored and it makes it easier to change chords.

Intro:

D

Sittin on the hood of a camaro

Watchin shooting stars across the earth

Countin' all the bites from the mosquitos

There goes myyyyyy

Minnesota Girl

G

Lazy days

Gone without notice

In a daze... with faraway eyes

Driving to a closed spot, Wednesday afternoon

There goes myyyyyy
