Acordesweb.com

My Generation Green Day This starts in the key of F# minor, and I ve got as much information here as possible. The only thing missing is that darn bass solo in the solo breaks. F# E F# E x2 begin Verse: F# (stop) F# Е Well, people try to put us down. (Talkin bout my generation.) F# (stop) F# Е Just because we get around. (Talkin bout my generation.) F# F# (stop) Е The things they do look awful cold. (Talkin bout my generation.) F# (stop) F# Ε I hope I die before I get old. (Talkin bout my generation.) F# E F# E x2 My generation. Verse 2 (same chords): Why don t you all just fade away? (Talkin bout my generation.) And don t try to dig what we all say. (Talkin bout my generation.) I m not trying to cause a big sensation. (Talkin bout my generation.) I m just talkin bout my generation. (Talkin bout my generation.) Chorus Bridge: F# E F# E F# (stop) Guitar: E: |-----| B: |----7-7-7-7-----| G: |-/6-----|6-----4-4h6p4------| D: |-----4-7~~-| A: |-----| E: |-----| F# E F# E F# (stop) Bass solo... F# E F# E F# (stop)

Drum solo

being another. The solo however, is only in Bb minor pent. at the 6th fret position:

6th 7 8 9 E: |-x-|---|---|-x-| B: |-x-|---|-x-|-x-| G: |-x-|---|-x-|---| D: |-x-|---|-x-|---| A: |-x-|---|-x-|---| E: |-x-|---|-x-|

Just go wild; do a lot of pulling, hammering and bending.

Then end in a glorious haze of feedback and spasticness...or just kinda fizzle out like on the record.
